

eZee Technosys Pvt. Ltd.
Global Hospitality Solutions Provider

About eZee Technosys

- In the industry since **more than a decade**, eZee is **one of the very few to offer a complete range** of hospitality technology.
- It caters to **various segments** of hoteliers and restaurateurs worldwide.
- Its **on-premise solutions** include hotel PMS and restaurant POS systems.
- Whereas **cloud-based solutions** include hotel PMS, restaurant POS, booking engine, channel manager and hotel reputation management software.

Domain Expertise

Integrated Solutions

eZee is one of the very few companies in the industry to develop and offer end-to-end hospitality solutions.

Up-to-date Technology

From on-premise to cloud solutions to mobile app, eZee has upgraded its technology with the dynamic market trends.

Industry Impact

Its domain expertise lies in empowering the industry with innovative and cutting-edge technology.

Services

eZee offers a noteworthy onboarding experience to its users with 24x7 live support and services.

Mission

eZee's core mission is to equip the hospitality industry with cutting-edge technology solutions and offer them top-notch services.

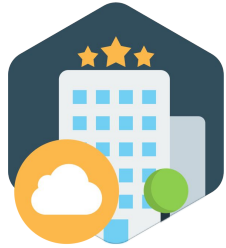

Vision

eZee's vision lies in a simple belief;

To get established as the most favored hospitality solutions provider for the complete hospitality industry.

eZee focuses on empowering hotels, restaurants and chain establishments of all types with technology and improve the experience they offer.
