Why do you need a Hotel Management Software?

Bad Management = Poor Service = Fewer Customers.

While...

Good Management = Excellent Service = More Customers.

Using a well-crafted software for your hotel business saves both time and effort in carrying out your managerial tasks and business services.

Key benefits:

Quickens and streamlines all your operations

Earns higher profits

Improves guest engagement

Increases staff's efficiency

Types of Hotel Software:

On-premise and Cloud based

On-premise is a desktop based PMS whereas Cloud based (recommended) or online hotel software is next generation software, which allows you to monitor your hotel business from **anywhere at anytime**.

Hoteliers are moving towards cloud based software where hotel or hotel groups can effectively simplify and organise their departments core operations by replacing the traditional methods of hotel keeping.

Let us elaborate with their major differences:

On-premise

- Requires a specific set of hardware.
- Annual Maintenance Costs (AMC) charges.
- Accessible only from the system on which it is configured.
- Time-consuming updates.
- Data security is the property's responsibility.

Cloud Based

- No need of any hardware requirements.
- One-time setup fee and annual or monthly subscription charges.
- Accessible via a secure login from any computer or mobile device connected to the Internet.
- Easy and timesaving updates.
- Data is secured on the cloud.

What Features our

Cloud Based Software Provides:

 Front-office Operations

 Reservation Management

Testimonials

The support team has been working with me for around 4 years! Very personalized people! I highly recommend them! One of the best PMS system I have come across.

Mark Kunie, Coastgate Hotel

eZee is Amazing! Still wondering how could we survive without it!

We've been using this software for over 2 years now and it's been very easy for all our staff members. eZee's support team helps us right away whenever there is any issue. I'm still amazed by the amount of time it saves for us and how it has helped us generate more revenue.

Jos de Haan, Hotel La Rosa del Paseo
